There is no charge for computer time, if Barrett and Associates' computers are used for the project. Nor is there any charge for LEXIS searches.

Test and survey scoring on Scantron machines are available. The minimum set-up charge is \$500.00. For 1,000 standard answer sheets, \$500.00 is charged, plus shipping charges (overnight delivery optional). An additional charge would be required for custom-made sheets. Statistical analyses are available with the charge being based on the personnel involved.

Projects can also be bid on a fixed time and price basis. A fixed price proposal requires the client to provide detailed information concerning the project.

Travel: Travel expenses are billed at cost. Driving mileage is billed at \$0.575 per mile.

This fee schedule is subject to change. The hourly rates to be billed to the client will be those that are in effect at the time the professional services are rendered.
